

VENTURE 1

Welcome to the March Edition of the Venture 1 Click!

Dear Friends, Clients & Colleagues,

March 20th was the first day of Spring 2022 and heralds lush greenery, fresh air and sunshine. This season creates happiness, motivation, and positivity among all people and paves the way for creative thinking.

In this issue:

- We highlight some less obvious ways that businesses can **support the sustainability agenda**.
- We introduce you to **Charlie Heels** in 'Spotlight On'.
- Tim Spriggs makes some observations on **Artificial Intelligence** and **Process Automation** in another 'Technical Insights'.
- We're excited to launch our **new Kit Recycling Service**.

Businesses, it's time to step up...

Sustainability isn't just about your Carbon Footprint...

Sustainability is often assumed to be all about climate change, reducing waste, reusing, recycling, and keeping your carbon footprint low. But whilst these things are hugely important, there are **other less obvious yet supportable goals** that businesses should not ignore if they wish to contribute to a sustainable future for our people and planet. ([2 min read](#)).

Find out how your business can step up...

Spotlight On: **Charlie Heels**

Last month we put the spotlight on our Sales & Marketing Director, Maxine Thurston. This month, it's the turn of **Marketing Executive Charlie Heels**. Find out how he's enjoying life at Venture 1.

[\(2 min read\)](#)

If you're interested in being part of the Venture 1 team, we're currently recruiting for the following positions:

- **Office 365 Consultant**
- **Finance and Admin Assistant**

TECH TRENDS

So what of AI, Process Automation and the relentless progress of Digital Transformation?

Venture 1 was recently asked by one of its major customers to comment on emerging trends in IT. One of the areas mentioned was the use of **Artificial Intelligence** and **Process Automation**. Read more on the challenges faced by major retailers in getting these innovative technologies implemented...

Kit Recycling Service

Spring Clean your IT assets

It's time for our annual Spring Clean and as a business that holds sustainable business practices at the heart of all we do, **we are 100% committed to a 0% landfill policy**. All our end-of-life hardware is subject to secure data

removal procedures and then **repaired, destroyed, refurbished** or **redeployed**.

Are you thinking about your IT Hardware spring clean? Give us a call to discuss our free, secure disposal service.
